Dear Parent / Carer

Year 9 Options Information Evening/Year 9 Parents' Evening

I am writing to invite you and your child to attend an **Options Information Evening** on **Thursday 24th January** from **6.00pm until 7.00pm** in the main school hall.

The purpose of this evening is to explain the options process and the choices students can make at KS4. We will look at why the choices students make at the end of Year 9, as they begin their GCSE and other level 2 courses, are so important, and how these choices may affect their options post-16 and, ultimately, university course choices and/or apprenticeships and future careers. You will also hear further details about the process the students will go through in order to choose their options and you will have the chance to ask any questions you may have at this stage.

May I also use this opportunity to remind you that the **Year 9 Parents' Evening** will take place on **Thursday 31st January** between **5pm** and **8pm**. An appointment sheet is attached for your child to begin making appointments with their subject teachers. The evening will give you an opportunity to discuss your child's progress including further discussions around the options process with subject teachers.

Please return the reply slip below via your child to let us know that you will be attending these two crucially important evenings that will help you and us in supporting your child's future.

We look forward to seeing you there.

Yours sincerely

Mr S Triffitt
