

All about me

Mr Stones

Year 7 Progress Leader

Associate Leader of Maths, Computing, Business and Economics

My full name is Mr S O J Stones

I like to be called Mr Stones

My birthday is in April

My primary school was Forest of Galtres in Shipton

How I feel about working at Norton College.....

I have really enjoyed working with our Year 7s this year and I am so excited about meeting my next year group.

What the **ASPIRE** values mean to me:

Achievement = No one achieves greatness without dreams.

Self-belief = Face your fear to gain strength and confidence.

Pride = Winners have pride and never quit.

Independence = Think for yourself to find yourself.

Respect = Respect should be the first thing you give.

Engagement = If you don't go for it then somebody else will.

My favourite books are crime, thriller and mystery books

My favourite subject is Business & Economics

My favourite sports are squash, cycling and running

My favourite food is a chicken Caesar salad

My favourite people are my friends and family

My favourite place to be is Thandwe which is a small fishing town in Myanmar (Southeast Asia)

My favourite hobby is gardening

Something you should know about me is that I also work at two local universities where I help adults train to become teachers and I enjoy writing books

My dream job is my current job!

Reason why: I have two younger sisters who started secondary school last year. I helped them prepare for this change and now I want to help other children as well.
