

# NORTON COLLEGE

Beyond Expectations

Our Ref: BE/JJA

10 February 2021

Dear Potential Volunteer

### **Volunteering to join Norton College Parental Consultation Group**

At Norton College we are proud of the way we engage our parents/carers and wider stakeholders in the life of the college and over lockdowns in the last year this is something we have developed as a real strength. Building on this success, we wish to recruit a small group of parents representing the cross section of the communities we serve to become part of a parental consultation group to help inform and shape the next steps in provision at Norton College and provide all important feedback on what we already do. As part of the group you would need to be able to make available some time in the early evenings once per half term for group meetings and also perhaps contribute some time toward wider school events such as fundraising.

If you are interested in becoming part of this group please email [admin@nortoncollege.net](mailto:admin@nortoncollege.net) marking the email 'PCG FAO Mr B Evans'.

Yours faithfully

Mr B Evans  
Deputy Headteacher
