Dear Parents of Year 11 Students,

I am writing to you to highlight the activities we have in place for the year group until the official end of their time in Year 11 at Norton College. **It is important that all Year 11 students engage with this remote programme and students will officially leave school on Friday 25th June.** Below is a list of the ways we are supporting Year 11 students in securing a suitable learning offer moving forward:

To make an appointment for the Activity 1 items or any other queries about transition please email JAU@nortoncollege.net or admin@nortoncollege.net

Our careers leader is also going to email students the links to the transition arrangements for their learning offer and institution of their choice and text you these links too to best enable you to support them in making this transition to post-16 learning. For further support, advice and guidance regarding careers or access to the Virtual Work Experience tool please contact Mrs Medley at RME@nortoncollege.net.

The Sixth Form Team will be sending out transition packs to students joining Norton College Sixth Form based on the option choices students have chosen shortly. These packs are important in preparing students for the content and expectations of the courses we offer post-16 and we would strongly encourage students to complete them fully and to the best of their ability.

Yours faithfully,

Mr B Evans
Deputy Headteacher
