## Norton College's Intent

Ready, Respectful, Safe

To create a vibrant, inclusive, caring and safe environment where children thrive academically and socially and which is universally recognised as outstanding.

To develop a love of learning and to achieve the best possible outcomes for all students.

To offer a breadth of subjects and knowledge and to develop a range of skills which are useful in wider life.

To develop well-rounded young people who are tolerant, respectful and able to make a positive contribution to society.
